

THE MIX

Essential support for young people

Free, confidential
and anonymous
support.

The Mix is the UK's leading digital charity for under 25s, reaching over 6 million young people each year. Whatever issue a young person is facing, The Mix is always there for them - via our website, over the phone or on social media.

Our support is free, confidential, and anonymous. The Mix connects young people to experts and their peers to talk about everything from money to mental health, homelessness to jobs, break-ups to drugs and more. No topic is out of bounds, and we are completely non-judgemental.

Contact our Crisis Messenger 24 hours a day, 7 days a week by texting **THEMIX to 85258** if you feel like you can't cope and need support now.
